## PROFILE INFO

Dynamic and results-oriented professional with over two years of experience in quality assurance, production management, and laboratory operations in the food processing industry. Expertise in ensuring GMP and FSMS compliance, managing quality certifications, and driving operational excellence. Proficient in leading R&D initiatives to improve product quality and streamline production processes. Adept at collaborating with cross-functional teams, fostering continuous improvement, and delivering high-quality outcomes in fast-paced environments. Seeking to leverage my skills and expertise to contribute to organizational success.

## EXPERIENCE

### December 2022 - PRESENT Aluvihare Farm (PVT) Ltd Quality Assurance Executive

- Ensured compliance with GMP and FSMS standards through quality assurance processes.
- Conducted audits, inspections, and resolved quality issues collaboratively with teams.
- Trained staff on quality protocols and maintained documentation for certifications.
- Enhanced production quality while meeting export standards.
